

PREMIUM WAX RESIN

Premium Wax Resin is a UL-recognized premium wax/resin ribbon delivering superior image durability on a wide variety of label and tag materials. Offering excellent abrasion and heat resistance, this ribbon also provides excellent print darkness and high-definition characters and images. **Premium Wax Resin** ribbon prints up to 10 ips utilizing less printhead energy than competitive wax resin formulations. Premium Wax Resin offers “plug & print” compatibility with industry leading premium wax/resin ribbons. Premium Wax Resin redefines the price performance equation in the industry. Our proprietary anti-static back coating formulation dissipates static electricity and works to protect and extend the life of your valuable printheads.
